Full Privilege Membership allows members to utilize all Philadelphia Freedom Valley YMCA facilities and participate in programs at a reduced rate. Members also receive priority registration. Facility usage by Youth Members is restricted due to supervision requirements. Children under 12 must be under the supervision of a parent or guardian or in a Y Program.

NATIONWIDE

At the Y, we are for youth development, healthy living, and social responsibility. We are dedicated to ensuring that our facilities, programs, and services are open and welcoming to all. We believe that positive, lasting personal and social change can come about only when we all work together to invest in our kids, our health, and our neighbors. This strengthening of community—and the realization of a Y's full potential—has the most impact when all Ys are open to all Y members and provide safe and welcoming environments for everyone.

With Nationwide Membership, members can visit any participating Y in the United States and Puerto Rico through membership at their home Y, at no additional cost. Nationwide Membership is an essential part of our cause to strengthen communities. It enables members to reach their health and wellness goals wherever they live, work, or travel; and connect with the larger Y community in meaningful ways.

The goal of Nationwide Membership is to ensure that all nationwide members have access to and can use all the areas and programs of any Y they visit. By making it possible for members to use the Y as often as they like, Nationwide Membership increases the value of Y membership. By promoting access for all, the initiative gives Y members the opportunity to be part of a single Movement and deepens the impact of the Y cause.
