

Spring Valley YMCA Inclement Weather Guidelines/Program Cancellation

In the event of inclement weather, we want you to be informed of the status of Y programs run at our facility and in the community. For any inclement weather delays, the Spring Valley Branch will monitor Spring-Ford and Perkiomen Valley School Districts' decision to delay the start of school, dismiss schools early, or close school altogether. As an independent organization, the Y will then make a determination based on current and forecasted weather conditions.

Information on YMCA delays, class/program cancellations and closings will be available:

- By calling Spring Valley YMCA: 484-984-2000
- Via the mobile app message center
- On our website: <https://philaymca.org/spring-valley/>
- On our Facebook page: <https://www.facebook.com/SpringValleyY>
- Via e-mail. Stop by the Welcome Center Desk to update your email address.

We will not offer a credit or make-up for a missed class due to inclement weather. If weather cancellations occur on the same day for multiple weeks, a system credit will be considered at the end of the program session.
