December 8, 2014

Dear Parents,

We would like you to take a minute to review the changes in Philadelphia Freedom Valley Weather/Snow policy:

EMERGENCY CLOSINGS

In the case of poor weather or other emergency, the CDC & SACC program may need to close early or may not open. Tuition adjustments will not be made for these types of emergencies. Your branch will give you information regarding how you will be notified in case of an emergency closing. Please see site specific SACC winter weather policies for your branch.

If there is a **2 hour delay**, there will be NO Before School Care offered.

If there is an **early dismissal** at the schools, there will be NO After School Care offered.

If the **school is closed**, please listen to KYW and check #1145 (Audubon YMCA) to see if the YMCA Main Center is open. If the Audubon YMCA is open we will provide care at the Main Center. **This option is for Holiday Insurance Participants Only!**

If you have any further questions please contact our Welcome Center or Erin Martire at 610.539.0900.

Thank You,

Annette Bryans

Senior Director of Childcare
Audubon YMCA
