Phoenixville YMCA

INCLEMENT WEATHER POLICY

IMPORTANT — PLEASE READ

In the event of inclement weather, it is important to the Y that we inform all members as quickly as possible regarding the status of programs run at our facility. To simplify the process, the Phoenixville YMCA follows Phoenixville Area School District's decision to delay the start of school, dismiss students early, or close the schools altogether, as follows:

1. If the Phoenixville School District has a delayed start:
 - All scheduled morning classes and programs will be cancelled.
 - All classes scheduled for 12:00 noon or later will be held at their scheduled time.
2. If the Phoenixville School District has an early dismissal:
 - All afternoon (beginning at 12:00 noon, or once the announcement has been made, if later), and evening classes will be cancelled.
3. If the Phoenixville School District is closed:
 - All program classes will be cancelled for that day and evening.
4. **In the event of late afternoon/early evening or weekend inclement weather:**
 - The status of all classes will be determined by the Branch Director. Information will be available by calling the branch (610-933-5861), checking the branch's web page, or via the mobile app message center. We will also send out a Member Thrive e-mail. Please have a current e-mail address on file.

PLEASE NOTE: We cannot offer a credit or make up for one missed class due to inclement weather. If classes are cancelled more than once in a session because of inclement weather, we will then try to offer a make-up, or issue a credit.
