Triathlons can be intimidating for the beginner triathlete. Solid training and access to the right information will help smooth the transition from mere athlete to triathlete! This is a free program. This class is for beginners to experienced athletes.

SWIM: To many, the swim is the hardest part! Stop being intimidated and enjoy the water with new confidence, techniques, tools and workouts. BIKE: Triathlon biking is not your typical ride. Individuals new to the sport will want to pay particular attention to understanding equipment, proper equipment fit and technique. RUN: While most athletes enter Triathlons with a running background, preparing for the last leg of the race is important both physically and mentally. Mental toughness, confidence and technique win the race.

NATIONWIDE MEMBERSHIP
At the Y, we are for youth development, healthy living, and social responsibility. We are dedicated to ensuring that our facilities, programs, and services are open and welcoming to all. We believe that positive, lasting personal and social change can come about only when we all work together to invest in our kids, our health, and our neighbors. This strengthening of community—and the realization of a Y’s full potential—has the most impact when all Ys are open to all Y members and provide safe and welcoming environments for everyone.

With Nationwide Membership, members can visit any participating Y in the United States and Puerto Rico through membership at their home Y, at no additional cost. Nationwide Membership is an essential part of our cause to strengthen communities. It enables members to reach their health and wellness goals wherever they live, work, or travel; and connect with the larger Y community in meaningful ways.

The goal of Nationwide Membership is to ensure that all nationwide members have access to and can use all the areas and programs of any Y they visit. By making it possible for members to use the Y as often as they like, Nationwide Membership increases the value of Y membership. By promoting access for all, the initiative gives Y members the opportunity to be part of a single Movement and deepens the impact of the Y cause.
