MEMBERSHIPS

Full Privilege Membership allows members to utilize all Philadelphia Freedom Valley YMCA facilities and participate in programs at a reduced rate. Members also receive priority registration. Facility usage by Youth Members is restricted due to supervision requirements. Children under 12 must be under the supervision of a parent or guardian or in a Y Program.

NATIONWIDE MEMBERSHIP

At the Y, we are for youth development, healthy living, and social responsibility. We are dedicated to ensuring that our facilities, programs, and services are open and welcoming to all. We believe that positive, lasting personal and social change can come about only when we all work together to invest in our kids, our health, and our neighbors. This strengthening of community—and the realization of a Y's full potential—has the most impact when all Ys are open to all Y members and provide safe and welcoming environments for everyone.

With Nationwide Membership, members can visit any participating Y in the United States and Puerto Rico through membership at their home Y, at no additional cost. Nationwide Membership is an essential part of our cause to strengthen communities. It enables members to reach their health and wellness goals wherever they live, work, or travel; and connect with the larger Y community in meaningful ways.

The goal of Nationwide Membership is to ensure that all nationwide members have access to and can use all the areas and programs of any Y they visit. By making it possible for members to use the Y as often as they like, Nationwide Membership increases the value of Y membership. By promoting access for all, the initiative gives Y members the opportunity to be part of a single Movement and deepens the impact of the Y cause.

POLICY OF NON-DISCRIMINATION

It is the policy of the YMCA to make membership available to all persons regardless of race, color, religion, sex, age, marital status, sexual orientation, national origin, disability, or financial circumstances without discrimination.

SEX OFFENDER SCREENING

The YMCA conducts regular sex offender screenings on all members, participants, and guests. If a sex offender match occurs, the YMCA reserves the right to cancel membership, end program participation, and remove visitation access.

MEMBERSHIP RIGHTS & RESPONSIBILITIES

- Engages in activities contrary to the mission and purpose of the YMCA.
- Is identified as a registered sex offender through Raptor.
- Is consistently threatening or abusive to staff or other members.

The Executive Director has the authority to deny or suspend membership privileges at any time. For permanent revocation of membership privileges, the Group Vice President and Vice President of Membership should be consulted.

MEMBER CODE OF CONDUCT

For the enjoyment of all, our members agree to abide by the rules and regulations of the YMCA. The protection of members and guests who are utilizing the facility is of paramount concern to the Philadelphia Freedom Valley YMCA.

This code of conduct does not permit language or any action that can hurt or frighten another person or that falls below a generally accepted standard of conduct specifically inappropriate attire, angry or vulgar language, physical contact with another person in an angry or threatening way, any demonstration of sexual contact or activity, harassment or intimidation by words, gestures, body language or any other menacing behavior, theft or behavior resulting in destruction of property. Parents will be held responsible for the behavior of their children.

The YMCA is a weapon and smoke free environment. This includes any type of devices or objects which may be used as weapons.
