Who needs clearances?
Adults applying for or holding an unpaid position as a volunteer with a child care service, a school or a program, activity or service responsible for the child’s welfare or having direct volunteer contact with children will need clearances.

Examples of unpaid positions as a volunteer responsible for the welfare of a child or having direct contact with children can include but are not limited to:
- Parent/Guardian chaperones for schools
- Girl Scouts/Boy Scouts
- Agency volunteers that help with transportation or other services
- Big Brothers/Big Sisters
- Literacy programs
- Little League
- Coaches
- Church Sunday school teachers, child event coordinators
- Hospital volunteers working with children

NOTE: The above list is NOT inclusive of all volunteers. Please follow the following guidance to determine if a volunteer is required to obtain clearances:

In order to determine who in your agency or organization is required to obtain clearances a condition of volunteering with children, you must first confirm that the applicant is an adult, as only adult volunteers are required to obtain clearances.

You should then carefully consider whether the volunteer is responsible for the welfare of a child or has direct volunteer contact with children.

When determining whether a volunteer is responsible for the welfare of a child consider whether the volunteer is acting in lieu of or on behalf of a parent. If they are acting in lieu of or on behalf of a parent, they will need clearances. If a determination is made that the volunteer is not responsible for the welfare of a child, you then move on to the second avenue for consideration; whether they have direct volunteer contact with children.

The second avenue for consideration is whether the volunteer has direct volunteer contact with children because they provide care, supervision, guidance or control of children and have routine interaction with children. As the terms care, supervision, guidance or control are not defined in the statute we suggest that the common meaning of these terms be used, with child safety serving as the paramount consideration.

With regard to routine interaction with children, consideration should be given to what the volunteer’s role is within the agency. Is their contact with children regular and repeated contact that is integral to their volunteer responsibilities?

If you determine they do have direct volunteer contact with children, clearances are required. Please be sure to consult your legal counsel when making these determinations. You should also discuss with your insurers possible insurance coverage implications.

What is the definition of child?
For purposes of clearances, a child is an individual under 18 years of age.
How is direct volunteer contact with children defined?
Direct volunteer contact with children is defined in §6303 (relating to definitions) as the care, supervision, guidance or control of children and routine interaction with children. Routine interaction with children is defined in §6303 as regular and repeated contact that is integral to a person’s employment or volunteer responsibilities.

Which clearances are needed?
All prospective volunteers must obtain the following clearances:

Additionally, a fingerprint based federal criminal history (FBI) submitted through the Pennsylvania State Police or its authorized agent is required if the volunteer has lived outside the Commonwealth of Pennsylvania in the last 10 years.

Volunteers who are not required to obtain the FBI Clearance because:
1. They are applying for an unpaid position and
2. have been a continuous resident of Pennsylvania for the past 10 years must swear or affirm in writing that they are not disqualified from service based upon a conviction of an offense under §6344.

When are clearances needed?

What is the renewal requirement for clearances?

Who pays for clearances?
The volunteer is responsible for paying the cost of the required clearances. However, some agencies choose to pay for clearances for their volunteers and are able to establish business accounts to pay for clearances. The only time an agency is required to bear the cost of the clearance is when there is reasonable belief that the volunteer was arrested or convicted of an offense that would deny participation or named as a perpetrator in an indicated or founded report. In these situations, the agency must immediately require the volunteer to obtain their clearances.

Can an agency or organization pay for clearances?
Child Abuse clearances:
Yes, agencies and businesses can pay for child abuse history clearances by registering for a Business Partner User account using the “Organization Account Access” link on the Child Welfare Portal, https://www.compass.state.pa.us/cwis/public/home. The business account will allow organizations to purchase Child Abuse clearance payment codes to be distributed to applicants or employees. Individual applicants or employees will then go onto the Child Welfare Portal to apply for the clearance using the code. The pre-purchased codes can only be used once and allows the organization to have access to the applicant’s Child Abuse clearance results once those results are processed.

FBI clearances:
An agency pay agreement/business account can also be created between an organization and the FBI, or its authorized agent, for payment of FBI clearances. Information on creating an agency pay agreement for FBI clearances through the Department of Human Services can be found at https://pacogentid.3m.com/index.htm.

PSP clearances:
An agency pay agreement/business account can also be created between an organization and the FBI, or its authorized agent, for payment of FBI clearances. Information on creating an agency pay agreement for FBI clearances through the Department of Human Services can be found at https://pacogentid.3m.com/index.htm.

Do I still need to submit a copy of my PSP or FBI clearance results when applying for my child abuse clearance?
Beginning December 31, 2014, volunteers are no longer required to submit a copy of their PSP or FBI clearances with their Child Abuse application. If the department receives copies attached to the child abuse application we will not return those copies and they will be shredded due to the confidential nature of the information contained on the clearances.

Are there any other requirements?
If a volunteer is arrested for or convicted of an offense that would constitute grounds for denying participation in
a program, activity or service, or is named as a perpetrator in a founded or indicated report, the volunteer must provide the administrator or their designee with written notice not later than 72 hours after the arrest, conviction or notification that the person has been listed as a perpetrator in the statewide database.

A volunteer who willfully fails to disclose information as required above commits a misdemeanor of the third degree and shall be subject to discipline up to and including termination or denial of a volunteer position.

What is the provisional clearance requirement for volunteers?
Individuals who reside in another state or country may serve as a volunteer for no more than 30 days as long as they provide clearances from their state or country of residence. If the individual will be volunteering for more than 30 days, they must obtain clearances as outlined above under “Which clearances are needed.” Volunteers who reside in Pennsylvania do not have a provisional period and must obtain clearances as outlined above under “Which clearances are needed.”

Is the person responsible for acceptance of volunteers required to keep a copy of my clearances?
Yes, pursuant to § 6344 (b.1), the employer, administrator, supervisor or other person responsible for employment decisions or acceptance of the individual to serve in any capacity requiring clearances, shall maintain copies of the required information.

An employer, administrator, supervisor or other person responsible for selection of volunteers that intentionally fails to require an applicant to submit the required clearance before the applicant’s hiring commits a misdemeanor of the third degree.

Agencies are reminded that the Child Abuse clearance information is confidential and may not be released to other individuals.

Can an agency or organization institute additional standards?
Yes, nothing prohibits the employer or person responsible for a program, activity or service from making employment, discipline or termination decisions or establishing additional standards as part of the hiring or selection process for employees or volunteers.

Can my clearances be transferred?
Yes, any person who obtained their clearances within the previous 60 months may serve in a volunteer capacity for any program, activity or service. Clearances obtained for volunteer purposes may not be used for employment.

As a volunteer, do I obtain my Federal Bureau of Investigation Criminal History check through the Department of Education or the Department of Human Services?
The agency under which an applicant should submit their FBI clearance application is based on the agency or organization for which they intend to volunteer. If the applicant intends to volunteer in a school or at a school related function, they would apply for their FBI clearance through the Department of Education. If the applicant intends to volunteer with children in any other capacity outside of a school setting or function, such as a group home for children, in a church, as a Little League or soccer coach, etc., they would apply for their FBI clearance through the Department of Human Services.
