Please remember to give people their space and stay 6 feet apart while changing.

Please wear a face covering while in the locker rooms.

If someone is accessing a locker within 6 feet of your own, please wait until there is space.

Please make sure to wipe down locker doors before and after use. Sprays, wipes and towels are readily-available.

Wash your hands before you leave, and make sure to lather and scrub for at least 20 seconds.

If you care to chat with friends, please move your conversation to available lounges, lobbies or parking lots.

Please make sure not to block entrances or exits.
